

2007 Global Market Report Order Form

"One of the most useful publications in our collection . . . concise, accurate, and extremely helpful."

Deloitte & Touche

Your Guide to:

Cities and suburbs charging the highest or lowest property rents, population and employment statistics, vacancy rates, trends in space absorption and construction activity for over 200 property markets worldwide.

What section of the country is attracting the most corporate relocations?

How have corporations changed their real estate use strategies?

Which Canadian market has sustained the biggest real estate decline?

Find the answers inside!

The *2007 Global Market Report* will provide you with these details and much, much more about current commercial real estate market conditions, with statistic-rich reports from markets of all sizes and prominence, and easy-to-read charts and graphs. Packed with data on office, industrial, retail space and land in over 200 markets throughout the United States, Asia Pacific, Canada, EMEA (Europe, Middle East, Africa) and Latin America and the Caribbean, the *2007 Global Market Report* is an invaluable resource for corporate facility managers and planners, developers, investors and anyone wanting to know more about global real estate conditions.

YOU'LL RECEIVE:

- Detailed information on over 200, industrial and retail markets
- National and regional rankings of the highest-priced markets
- Reports on market trends and economic conditions - global, national and regional outlooks
- Insight into where real estate opportunities are surfacing and fading

YES! Please send me the *2007 Global Market Report*.

I want up-to-date market information on over 200 real estate markets worldwide.
